As you all know, our classmate, Kinga, is in hospital and she'll stay there for few weeks. I'm sure that she feels lonely and sad now and misses her family, our school, teachers and all of us. Another problem is that she's worry about the exams in April. She's having lesons with teachers from the hospital 's school but she feel it's not enough to prepare well for the exams. Kinga is leaving hospital in the February and I think we need to do something to help his to prepare for the exams. What did you think?

I have to told you what I honestly think about Mr Kane going back to England soon. We are all dissappointed, but I think I know the reason. I think it was irresponsibile of us to tell Mr Kane that he was unfair and gave good marks only to his favorite students. Honestly, did we all do our homework every day? Did we came prepared for his classes? Some of us did, so they made good grades. But those who didn't study enough thought the teacher was mean. I feel so embarased. I really think we need to tell Mr Kane we are much sorry. I hope it will help him to change her mind.
